

# *Energizing Our Community*

## 21 Acres Community Energy Meeting

1:00 - 4:30 PM, Friday, January 29, Woodinville

Join us to share your ideas for partnering on energy-related projects with the new 21 Acres Center for Local Food and Sustainable Living.

We are inviting you and other key people from the business, academic and civic communities to tour the new 21 Acres Center while it's under construction. We will then meet at the Grange Hall to brainstorm ideas for energy projects that reflect people's passion for creating a more sustainable community. Ideas suggested so far include: community solar installations, education/training lab, an energy fair, green jobs, municipal energy policies, and more.

### 21 Acres Center for Local Food and Sustainable Living

The 21 Acres Center will demonstrate new technologies for water and energy conservation. The East Wing, currently under construction, will be a 8,500 square foot facility for education on sustainable living and alternative energy systems. It is scheduled for completion in the summer of 2010. For details on Phase 1 of the 21 Acres Center see: [www.21acresgreenbuilding.org](http://www.21acresgreenbuilding.org) .
