1999 Hightower Cellars Cabernet Sauvignon (6 bottles)

The 1999 Cabernet Sauvignon from Hightower Cellars is an understated and intricate wine with classic black currant and toasted oak aromas. It offers layers of subtle complexity with black fruit, spice, sweet tobacco and more and finishes smooth and satisfying. The cool

summer developed intense, rich flavor and color in the grapes while the hot fall ripened the fruit and rounded out the grape tannins. The wine has been cellared and the 6 bottles come in a wood box. (Purchase of this item supports the Viticulture and Enology Student Scholarship Fund)
